# MORE THAN WALLS

Join us!  
**10.21.10**  
**5-7:30 pm**

Afterschool programs offer “More Than Walls” where young people hang out when the school bell rings. Within that infrastructure, youth find the caring adults, enriched programming and safe spaces they need to thrive.

Join us for this **FREE** community event featuring youth performances, the Dangerettes Drill Team, informational booths, dinner, Italian Soda Bar courtesy of Torani Syrups, and giveaways, which include gift cards, movie passes, Seattle Mariners paraphernalia and more!

We have transportation vouchers available thanks to a generous donation from Sound Transit. To RSVP, please visit our website, where you will find a simple online RSVP form which can also be used to request transportation vouchers. For more information, contact Sherrie M. Belt at [sbelt@schoolsoutwashington.org](mailto:sbelt@schoolsoutwashington.org) or 206.336.6934.

*Lights On Afterschool is a national celebration to call attention to the importance of afterschool programs for America's children, youth, families and communities. In Washington State, more than 347,000 children and youth are unsupervised afterschool. Nationwide, more than 15.1 million children are left alone. Lights On Afterschool is an opportunity to raise awareness among all sectors of the important role afterschool programs play in keeping kids safe, help working families and inspire learning by providing critical academic, social, and emotional support.*
